Account.

READ—the following papers :—

From N. F. MACKENZIE, Esq., Under Secretary to the Government of India, Public Works Department (Civil Works—Irrigation), to the Secretary to the Government of Madras, Public Works Department, dated Simla, 6th July 1896, No. 129 I.

I am directed to acknowledge the receipt of the Proceedings of the Government of Madras, No. 491 I., dated the 10th June 1896, copy forwarded under your No. 492 I. of the same date, embodying the progress report of the Madura division of the Periyár project for the month of April 1896, showing grant and expenditure.

2. With reference to the large credit of Rs. 94,892 shown under tools and plant, which, it is explained, is due to sales of machinery and tools, I am to enquire whether these sale-proceeds were foreseen and taken into account in fixing the budget grant of Rs. 5,500 under that head for the year 1896–97.

Memorandum to the Superintending Engineer, VI Circle, dated 20th July 1896, No. VI./30 P.R.

With reference to the large credit of Rs. 94,892 under tools and plant due to sales of machinery and tools shown in the E form progress report of the Madura division of the Periyár project for the month of April 1896, the undersigned has the honour to request that the Superintending Engineer, VI Circle, will be so good as to report whether any, and if so what, portion of the funds rendered available by this credit could, if allotted, be utilized on distributaries, seeing that the construction estimate for the project will be closed on the 31st March 1897 under G.O., No. 602 I., dated 1st August 1895.

2. A statement showing the distribution by departmental heads of the amount which can be spent on the project during the current year should be submitted.

3. The favour of an early reply to this reference is requested, as the Government of India desires to know whether these sale-proceeds were foreseen and taken into account in fixing the current year's budget grant of Rs. 5,500 under tools and plant for the project.

(Signed) R. R. E. DRAKE-BROCKMAN, Col., R.E.,
Chief Engineer for Irrigation.

From W. HUGHES, Esq., Superintending Engineer, VI Circle, to the Chief Engineer for Irrigation, dated Trichinopoly, 23rd August 1896, No. 1050 M.D.

With reference to your memo. No. VI./30 P.R., dated 20th July 1896, I have the honour to inform you that no portion of funds rendered available by the large credit under tools and plant of the Periyár project can be utilized on distributaries, as the amount required for the latter can be met from the existing grant for works.

2. A statement showing the distribution by departmental heads of the amount which can be spent on the project during the current year is herewith forwarded, from which it will be seen that a sum of Rs. 95,500 rendered available by the large credit under tools and plant is proposed to be surrendered, and this amount was not taken into account when fixing the current year's budget grant of Rs. 5,500 under the above head.

SIR,

ENCLOSURES. 1

With reference to your memorandum No $\frac{VI}{300}$ R, dated 20 July 1896, I have the honor to inform you that no portion of funds rendered available by the large Credit under Tools and Plant of the Periyar Project can be utilised on distributaries, as the amount required for the latter can be met from the existing grant for works.

2. A statement showing the distribution by departmental heads of the amount which can be spent on the Project during the current year is herewith forwarded, from which it will be seen that a sum of Rs 95,500 rendered available by the large Credit under Tools and Plant is proposed to be surrendered and this amount was not taken into account when fixing the current year's Budget grant of Rs 5500 under the above head.
